

Welcome to The Kingdom of Happiness

Derived from Sanskrit words '**santi**' means '**peace**' and '**huri**' means '**city**'-- we are committed to bringing you more than just spa pampering or skin rejuvenation, but to offering you a peace of mind to tranquilize your body and soul.

Explore and fulfil your inner peace from your first step. Let Santiburi lull you back through the happiest moment of Thai where the reminiscence of Sukhothai is just at reach.
